Sounds good.

I will be granting access to two Amazon servers, BitBucket account, Atlassian and Jira. I will also be granting access to the github account.

Thanks,
Marcus

Hi Marcus,

Thank you. Let's touch base on that tomorrow, so we can figure out the best way to go about getting a copy of the source code.

Hello Ethan,

Can you send me the email of your IT person so that I can request that Sergey grant him access to all of our servers?

Thanks,

Marcus
